## :: Presentation

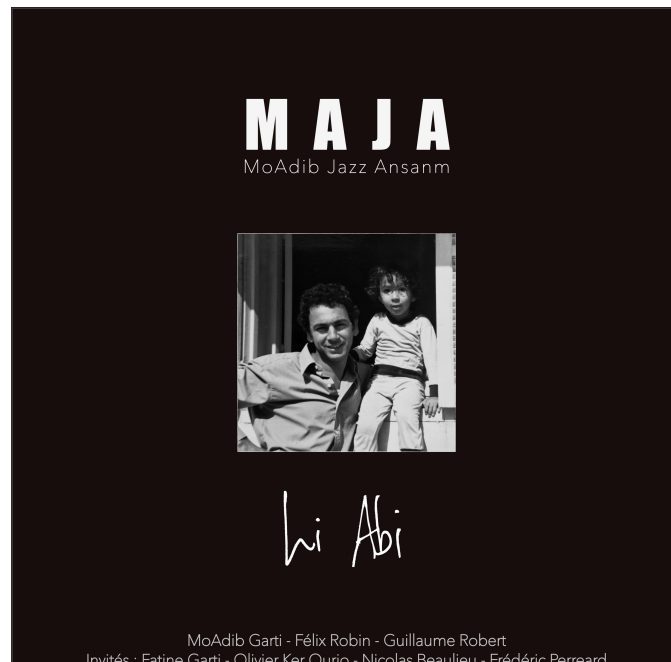

### New Album: LI ABI

Li Abi ("to my father" in Arabic) is MoAdib Garti's second album, and the first composed entirely of his own works.

Dedicated to his late father, it gathers seventeen years of writing and lets jazz converse with his Moroccan roots, Brazilian colours, and the landscapes of the Indian Ocean.

### The Band: MAJA

MoAdib Jazz Ansanm is a jazz group focused on original composition. Led by drummer and composer MoAdib Garti, the band offers living, organic music where energy and poetry meet.
